GET Nord

Trade Fair Electrical Engineering, Sanitation, Heating, Air-Conditioning

LOOKING BACK AT A SUCCESSFUL FAIR. GET NORD 2018.

GET NORD 2018. THE INDUSTRY GIANT HAS MADE A NAME FOR ITSELF!

The GET Nord interdisciplinary concept is unique throughout Germany - electrical engineering, sanitation, heating and air-conditioning under one roof - and made for impressive numbers in 2018. Around 40,000 trade visitors took the opportunity to get up to speed with nearly 600 exhibitors and numerous of special forums and special shows. With 97% of exhibitors and 99% of visitors recommending the fair, the success of GET Nord speaks for itself. Join us in 2020!

GET NORD 2020
19-21 NOVEMBER 2020

"We're very impressed with how the fair has developed and this is our second visit. We had a constant stream of visitors throughout the fair."
Frank Gedwien, Messemarketing, Franz Kaldewei GmbH & Co. KG

"GET Nord's decade-long success story continues. This high-tech fair is characterised by a close interlinking of efficiency and renewable energies on the one side and digitisation on the other. For the German heating industry, GET Nord provides an excellent platform for dialogue with the trade."
Andreas Lücke, Hauptgeschäftsführer, Bundesverband der Deutschen Heizungsindustrie e.V. (BDH)

"In 2008, we worked with GET Nord to develop an exhibition format which remains unique among German trade fairs to this day. Today we can see that networking between trades, products and industries has now become a reality in building systems."
Bernd Auferheide, Vorsitzender der Geschäftsführung, Hamburg Messe und Congress GmbH

GET TOGETHER! TECHNOLOGY. KNOWLEDGE. TRENDS.
