In 2008, we worked with GET Nord to develop an exhibition format which remains unique among German trade fairs to this day. Today we can see that networking between trades, products and industries has now become a reality in building systems.

GET NORD 2018.
THE INDUSTRY GIANT HAS MADE A NAME FOR ITSELF!

The GET Nord interdisciplinary concept is unique throughout Germany - electrical engineering, sanitation, heating and air-conditioning under one roof - and finds its unique form in GET Nord 2018. Around 40,000 trade visitors took the opportunity to get up to speed with nearly 600 exhibitors and numerous special forums and special shows. With 97% of exhibitors and 99% of visitors recommending the fair, the success of GET Nord speaks for itself. Join us in 2020!
